

# YOUNG LEADERS WEEKEND

BONALY CHALET 5-7<sup>th</sup> MARCH

The second weekend for all Young Leaders (including those doing service for Duke of Edinburgh & Guides) will be held in the chalet at Bonaly on the weekends of 5-7<sup>th</sup> March 2010. This is a stand alone weekend and attendance at the November weekend isn't a prerequisite. An outline programme for the weekend is set out below.

Friday

Arrive 7:30pm

Module A - Prepare for take off! - note that any 14-18 year old who helps with a Section who has not completed this module within 3 months is not insured!

Saturday

Module E – Game On!

Module F – Special People

Module I – What Did They Say?

Module J – Awards & Badges

Sunday

Module K- First Aid Masterclass

Finish 4:15pm

Those who attended the November weekend will have an additional session for them to report back on how they have got on with Mission 1.

The weekend will be fully catered and will cost £30 per person. It is expected that groups/Districts will bear the cost. Those who attended the November weekend and don't need to do Module A again can come from Saturday morning and pay £23.

If a Young Leader cannot do either of those options, but can attend part of the weekend then we can accommodate that at a reduced cost. The aim is to be flexible and maximise opportunities!

Please fill in the attached form and return to South East Region Scout Council, 15 Valleyfield St, Edinburgh EH3 9LP by Friday 26<sup>th</sup> February with a cheque for £30/£23 per attendee payable to *The Scout Association*. In the event of further questions call Brian Moretta on 0131 447 3795 or email [brianmoretta@mac.com](mailto:brianmoretta@mac.com).
